Sifters, baskets and such articles which are required for cleaning articles shall be supplied by the contractor. They remain as his property and may be taken back by him after the expiry of the contract period.

The supply will be calculated and payment made upon the quantity of flour so issued at the rate of the ragi grain. In the case of other articles, payments will be made on the quantity of cleaned articles issued.

7. The Inspector-General of Prisons does not bind himself to accept the lowest or any tender and he may reject any tender without assigning any reason for it.

8. The deposit of the successful tenderers will be retained, and will be forfeited if they fail to execute the contract bond or to furnish security to the amount of Rs. 400 in cash or Government paper, within one week from the date of the acceptance of their contracts being made known to them.

9. The contract for supplies shall be entered into for the whole of 12 months of the year 1938, at the end of which alone final adjustment of accounts will take place. In the meanwhile, to facilitate supplies, advances to the extent of the value of supplies made in a month will be made to the contractor at the end of that month, by which time bills with vouchers must be submitted duly signed by him (contractor) in the presence of the Superintendent. The amounts thus advanced will be set off against the amount payable to the contractor at the end of 12 months for things supplied by him. These advances are not liable to be attached by Civil Courts.

10. Store-rooms will be made over to the contractor in which he can keep all non-perishable articles of which not less than one month's supply must always be in store, i.e., the quantity in stock on any day should be not less than a month's supply. 12. The decision of the Inspector-General of Prisons will be final in all questions of infringements of contract.

13. Ordinarily, the contractor will not be asked to supply vegetables daily, unless the Jail garden fails, in which case he has to supply them at the rate quoted in his tender. The cost of the vegetables will be excluded for consideration when various tenders received are to be compared.

14. The contractor whose tender is approved must bind himself to supply at ruling market rates any other article required for Jail use although not tendered for.

16. The accepted tender will be subject to confirmation by the Inspector-General of Prisons in Mysore, who reserves to himself the right of rejecting all or any of the tenders.

Otherwise, the same will be put outside the Jail gate at contractor's risk. The contractor or his agents shall have no direct dealing whatsoever with prisoners, whether engaged in cleaning ration articles or otherwise.
